KREATIVE KIDS FAMILY
DAYCARE

We Are Learning About:

Fire Safety

The children will explore and learn about how to stay safe if there is ever a fire. They will practice what to do if fire gets on their clothes. We will watch videos about fire safety and learn through stories, songs, and play-based activities.

Community Helpers

The children will learn about the amazing people who help keep our communities safe, clean and running smoothly. Each day we will explore a different community helper. The children can dress up during dramatic play center time, ask questions during circle time and learn about what it's like to be a firefighter, police officer, mail carrier, doctor, nurse and construction worker.

Autumn

The children will explore the outside by collecting leaves, acorns and twigs. We will discuss how the season change. We will read stories about autumn, and explore the taste, smell and textures of apples and pumpkins during snack time. During circle time, we will talk about colors, weather changes, how the animals prepare for the winter and healthy harvest foods.

Pumpkins

The children will explore the real inside of a real pumpkin and talk about how pumpkins grow from seeds. We will count and sort the seeds by size and color. We will decorate pumpkins during arts and crafts time.

Important Dates:

- **October 10:** Art Day A day dedicated to creativity! Children will engage in various art projects to express themselves and develop their artistic skills.
- **October 17:** Science Exploration We'll have a hands-on science day with fun experiments and activities to spark curiosity and interest in the natural world.
- **October 24:** Outdoor Adventure A day for outdoor play and learning. Children will participate in a variety of activities designed to help them appreciate and explore the natural environment.
- **October 31:** Music and Movement A fun day filled with music, dancing, and movement activities to help children develop their motor skills and enjoy the joy of music.

REMINDERS:

- **Tuition Payments:** Please ensure that your tuition payments are made on time. Late payments can disrupt the operation of our daycare center and affect our ability to provide quality care and education for your child.
- **Weather-Appropriate Attire:** With the weather turning colder, make sure your child comes to daycare with appropriate clothing for outdoor play. Don't forget hats, gloves, and jackets!
- **Label Belongings:** To prevent mix-ups, please label your child's belongings, including clothing, blankets, and bottles.

HAPPY BIRTHDAY

David Edwards 10/2
